

Someone in this house is at higher risk of Coronavirus (COVID-19)

Please consider if your visit is essential

If you are showing any of these symptoms **DO NOT VISIT**

cough | sore throat | runny nose | fever | shortness of breath

If your visit is essential please wash your hands immediately for 20 seconds upon entering

You can contact us on: _____

Leave any packages at the door

This is a sign that you can use to place on your front door to help people stop and think before they knock. There is space at the bottom of the sign so that you can write any further instructions to visitors, or support workers.
