Welcome Our New CEO

Welcome our new CEO, Scott Young, to join the Hospital Foundation!

Scott comes to us from the Australian Rugby Foundation. His experience in fundraising spans over ten years including three years at Yalari Ltd and earlier at King's College at the University of Queensland.

Scott commenced his new role as the CEO of IHF on September 5th.

On behalf of IHF, we thank our Interim CEO Greg Jensen for his contribution to IHF over the past four months.

IHF Delivered Three VR Headsets to Ipswich Hospital

Ipswich Hospital Foundation delivered three 'Smiley Scopes' Virtual Reality headsets to the Paediatric Emergency Department of Ipswich Hospital. These headsets will help the children stay calm while having procedures and reinforce positive coping skills.

Join us this October and Go Pink to help raise funds for Breast Cancer care in the West Moreton Region.

There are so many great ways you can get involved with your friends and organisation to support breast cancer care. From dressing pink to decorating your office or hosting a

fundraising morning tea, everything you do will go back to supporting your local community.

PARK2PARK WRAP UP

Thank you to all our runners, walkers, teams, mascots, sponsors, supporters, volunteers and everyone else in between who joined us for both the Main Event on Sunday 31 July and the Virtual Event from 23 July to 6 August! We had over 1,100 participants attend the event, and raised over \$20,000 for local medical research. What a great achievement!

THANK YOU

Many thanks to Llewellyn Motors and Suncorp for their generous donation to Ipswich Hospital Foundation! We're proud to have some incredible local businesses like Llewellyn Motors and Suncorp Insurance support our local community health program.

A big thank you to the Australian Industry Trade College (Ipswich) and Bunnings Bundamba, which help reinvigorate the Rehabilitation and Stroke Ward (6B) courtyard of Ipswich Hospital. The ward staff, patients, and their families will certainly benefit from the new courtyard once it is completed.
